MESSAGE FROM THE EXECUTIVE DIRECTOR

Thank you for considering serving on the Board of Directors for Autism Edmonton. A cornerstone organization in Edmonton, we are a powerful voice for equity, inclusion and opportunity. Autism Edmonton is the oldest autism organization in the province and has served the Edmonton and area community since 1971. Since then, we have continued to deliver life-enhancing programs which ignite the power and potential of autistic individuals and champion the development of new opportunities for the autistic community. We work to fill voids, expand services, help individuals find vital resources and information, and advocate for systemic change at the public policy level.

As a Board Member, you would join a group of dynamic, passionate and dedicated individuals who are committed to our essential mission and work. The Autism Edmonton Board works closely with the Executive Director to ensure the long-term health of our legacy organization, which operates numerous services, including discussion groups, youth and adult recreational programming, pantry food hampers, service navigation and much more. Many hands over many years have changed many lives for the better. You would be part of that historic, ongoing effort to build a community with equity, inclusion, and opportunity for all.
