Social Media:

While “formal” avenues for care and support have always been important, social media has become a significant part of modern-day society. Benefits of online groups include: more frequent or flexible participation, opportunities for people who may not have local face-to-face support groups, and a degree of privacy or

R.O.A.R Resources, GOA, Energy Square Children and Youth Services

anonymity. As of November 20th, 2019, these are active support groups that are known to the Pride Centre of Edmonton staff:

Non-Binary Gender Pride

<https://www.facebook.com/groups/nonbinarygenderpride/>

Trans and Non-Binary Pals YEG : <https://www.facebook.com/groups/126602494829112/>

Other Supports/Services:

Trans Lifeline:
